

# Jump start

How to **get early**  
environmental reviews for  
certain project types.

Are you a **declared county**  
looking to submit for  
**Hazard Mitigation Grant**  
**Program** funding?

Are you wanting to **submit**  
**applications** for the following  
**project types**:

- ⇒ **Acquisition/Demolition**
- ⇒ **Acquisition/Relocation**
- ⇒ **Elevation**
- ⇒ **Mitigation Reconstruction**

Would you like to get  
an **early start** on the  
**environmental and historic**  
**preservation (EHP)** review?

If you answered,  
“**yes**,” to **all**,  
then we would like to help.

Even before the **Notice of Funding**  
**Availability** is published, those  
**eligible applicants** seeking funding  
for the above listed project types can  
get a **preliminary EHP review**. This is  
a great way to get a **jump start** on the  
review process for those **projects**  
**you know you will be submitting**.

What we need to **get started**:

- ⇒ A **notice of voluntary interest**<sup>1</sup>
- ⇒ **Neighborhood** or **geographic**  
**area** of the **project site(s)**
- ⇒ The **type** and **scope** of project  
being submitted
- ⇒ **Addresses** (if available)

Additional info helpful for Acquisition–Demolition/Elevation reviews:

- ⇒ **Documentation** of the **year(s)** of original construction, and any  
additions/modifications to existing structure.
- ⇒ **Plans** of proposed excavations or other ground disturbing activities.
- ⇒ **Photos** of structure (**all sides**).
- ⇒ **Copies** of any available plans for existing structure, as well as documentation  
of any changes made since original construction.
