

The First 90 Days

A quick guide to the Hazard Mitigation Grant Program timeline

Presidential Declaration

Check State website for any updated forms and information.

Suggested County Actions

- ⇒ Meet with Local Mitigation Strategy (LMS) Working Group.
- ⇒ Solicit projects from jurisdictions.
- ⇒ Ensure new projects are placed on the LMS project list.
- ⇒ Choose projects from the LMS project list to focus on. Preferably ones that vary in budget.
- ⇒ Prioritize the selected projects in the order that you want them funded. (you may want them ordered differently than your LMS project list)
- ⇒ Ensure each project has an endorsement letter from the Chairperson or Vice Chairperson of the LMS Working Group to accompany the project, if it is chosen.
- ⇒ Begin working on applications as much as possible.
