Agenda

- Florida Statute 252.3655
- SHMP Updates
- Silver Jackets
- LMS Updates
- SHMPPoints Newsletter
- Announcements
- Adjourn
Florida Statute 252.3655

• HB 181/SB 464 passed, creating Florida Statute 252.3655
  • Effective July 1, 2017
  • To create a natural hazards interagency workgroup to:
    • Share information
    • Coordinate ongoing efforts
    • Collaborate on initiatives
• Required members
  • State agencies within the FL executive branch
  • Water Management Districts
  • Florida Public Service Commission
Florida Statute 252.3655

- Required Members: liaisons from each
  - State agencies within the FL executive branch
  - Water Management Districts
  - Florida Public Service Commission
- FDEM workgroup coordinator
- Each agency liaison will provide information about their respective agency resources, capabilities, and projects regarding natural hazard mitigation
- Required quarterly meetings
Florida Statute 252.3655

• FDEM workgroup coordinator will:
  • Prepare and submit annual progress reports on the implementation of the SHMP, to include:
    • Relevance, level, and significance of agency efforts to address impacts of natural hazards
    • Strategize and prioritize ongoing mitigation efforts
  • Each agency liaison is required to ensure the annual report is posted on the respective agency website
  • First annual report is due January 1, 2019
Mitigate FL

• Combine 3 groups into 1!
• Mitigate FL
  • Natural Hazards Interagency Workgroup
  • SHMP Advisory Team
  • Silver Jackets
• Relatively the same participants and similar missions
• Avoid duplication of efforts
• Dedicated FDEM staff member to develop this new group and its goals full time
Mitigate FL

- I will be reaching out to all the participating agencies in the coming weeks and months to set up a meeting to answer any questions and to help develop strong working relationships within the group.
- We will be developing the group over the next year and I am hoping to have great participation from all state agencies!
SHMP Updates: Planning Process

• Re-wrote and re-organized section
• Outline
  • History of the Florida SHMP
  • Discussion of 2018 Update
  • Explain Mitigate FL (formerly SHMPAT) meetings

SHMP Updates: Mitigation Strategy

**FDEM Mission**
Working together to ensure that Florida is prepared to respond to emergencies, recover from them, and mitigate against their impacts.

**FDEM Vision**
Failure is not an option.
DRAFT Mitigation Mission
Reduce the impacts of all hazards within the State of Florida.

DRAFT Mitigation Vision
Make Florida a hazard resilient and resistant state.
DRAFT SHMP Mitigation Strategy

Use federal, state, local, and non-profit funding opportunities to reduce impacts from hazards in Florida and provide technical assistance to local mitigation programs.
Mitigate FL Strategy and Goals

• Options:
  • Use SHMP Mitigation Strategy, Goals, and Objectives for Mitigate FL group
    OR
  • Develop separate goals and objectives for the Mitigate FL group

• Opinions? Thoughts?
