

Prisoner Labor

FEMA provides PA funding for prisoner labor costs based on the rate that the Applicant normally pays prisoners. FEMA also provides PA funding for prisoner transportation to the worksite and extraordinary costs of security guards, food, and lodging.

The Applicant should submit the following to support prison labor costs claimed (not an all-inclusive list):

- ☐ Estimated hours and rates for work to be completed
- ☐ Prison labor pay policy and pay rate (required)
- ☐ For each individual:
 - Name (required)
 - Days and hours worked (required)
 - Description of work performed (required) should include a representative sample of daily logs or activity reports
 - Locations worked (required)
