

What to Expect?

F-ROC is the Florida Division of Emergency Management's (FDEM's) proactive approach to:

- A streamlined Public Assistance process which includes risk assessments and abatement plans.
- The standardization of forms which simplify data collection during an event and data submission after an event.

In addition, the F-ROC Training Program will provide a learning experience for Applicants on the Public Assistance process which will:

- Mitigate the impact of de-obligations.
- Aid in the creation of a custom abatement plan.

Cover Pages

Forms will have cover pages, which explain when, why, and how to complete them.

Layouts

Updated layouts for easier record keeping.

Multiple Formats

Available in PDF and Excel.

F-ROC Training Coming in 2023

1HR
